EMPLOYMENT

TEAM LEADER COMMUNITY ENGAGEMENT

Full-time, 3 year fixed term contract
Based at Mannum

Applications are being sought from highly motivated, energetic and innovative persons, with appropriate experience and interpersonal skills, to fill the fixed term contract position of Team Leader Community Engagement.

The position is responsible to the Director Community Services and will be classified as General Officers Level 5 (\$84,006 FTE).

The Team Leader Community Engagement is responsible for the effective delivery of strategic community development programs and initiatives for the coordination and leadership of the Community Engagement Team and its efficient operation.

The key focus areas for the position are:

- Capacity building of our residents and community groups to create strong vibrant communities.
- The advocacy for and development of a regional coordination service delivery approach.
- Provide strategic direction to key staff of sport and recreation facilities, childhood development and community development initiatives.

A Position Description is available by contacting Triana Hill on 8569 0100, or via Council's website www.mid-murray.sa.gov.au, and further information in relation to this position is available by contacting Amy Loechel, Director Community Services, on 8569 0100.

Applicants are required to submit a written application addressing the key responsibilities of the position and a CV demonstrating their suitability for the role. Applications marked "Confidential - Team Leader Community Engagement" should be submitted to the Human Resources Officer, Mid Murray Council, PO Box 28, Mannum SA 5238, or thill@mid-murray.sa.gov.au, by 12 noon on Monday 10 December 2018.

Irrigation Specialist and Service Technician

The Irrigation Specialist/Service technician will work closely with the project consultants within Ardal Water Solutions and will be independent in management of their time maintaining service to existing clients and promoting AWS within their work area and contacts. It will be necessary for the successful applicant to be prepared to travel as AWS works in all states within Australia and some projects within New Zealand.

Duty Station The successful applicant can be based in the Adelaide/Riverland/Sunraysia area

Start Date Immediate Start

Responsibilities The Irrigation Specialist will work under the supervision of the AWS Managing Director, and under the technical guidance of the AWS management team.

Specifically, the incumbent will perform the following tasks:

- Provide leadership and support for clients on the agricultural production technology associated with current upgrade and greenfield projects.
- Provide technical guidance on irrigation planning, the types and suitability of equipment to be adapted for project use.
- Prepare technical specifications and identify suppliers for the purchase of the irrigation equipment.
- Where required supervise the installation of the irrigation equipment and provide on-the-job training to the client and their extension staff in the use and maintenance of the irrigation system, working closely with AWS technical manager and lead consultant.
- Prepare comprehensive technical reports in relation to works undertaken and completed for clients.
- Assist with the review of project reports as required.

Qualifications and Experience Required:

- No formal qualification is required but the applicant must have had extensive involvement within an engineering/agricultural or electrical trade. AWS will provide on the job training and support for the successful applicant.

...of on farm irrigation technologies and management would

to clients both corporate and private on many projects. Understanding the operation and programming of irrigation control systems will be an advantage and the use of excel spreadsheets will be a work effectively with a team.

For more information please contact Heather Cook, 1300 846 094.
Applications should be emailed to accounts@ardalwater.com.au
Applications close 10/01/2019
