Office Administrator

- Broad and varied role
- Small and dedicated team
- Great opportunity for work/life balance

About the Role

Barossa Grape And Wine Association (BGWA) is offering a permanent part-time opportunity for a polished and competent office administrator to provide clerical and office support for their senior team. The role manages a busy reception whilst responding to the general day-to-day workings of a busy office.

This is a wonderful key support role with an opportunity to join a close and professional team Monday to Friday, 9:00am-3:00pm. You'll be providing a professional and capable first impression to BGWA visitors; supporting the Chief Executive Officer to prioritise and respond to multiple responsibilities; and supporting the Board and Sub-Committees. Duties include taking minutes; distributing various papers; coordinating domestic and international travel arrangements; and overseeing the BGWA member database. It's a dynamic and varied role, offering plenty of diversity and an opportunity for you to make your mark.

About You

You love being busy and taking responsibility for getting things done. You'll be interested in wine and have probably already worked in the industry, and you'll be very comfortable with MS Word, Excel and Outlook.

You have a keen eye for detail, enjoy thinking ahead to anticipate what's needed, and know how to build and maintain relationships with a wide group of people. The BGWA office is home to an energetic and professional team, working to deliver the best-possible outcomes for their members and the Barossa community – and you will be eager to be a part of it.

About BGWA

The BGWA was established in 2008 as the peak wine industry body in Barossa. BGWA is uniquely positioned to nurture and promote brand Barossa to a global audience, to facilitate within Barossa the uptake of vineyard, winery and business best practice and to comment and lobby on government and industry policy issues.

Today the BGWA stands as a beacon within the Barossa wine community, where the investments and capabilities of the region's grape growers and winemakers are harnessed to enable collective action for the greater good.

This is a great role, offering challenge, variety, autonomy and ideal hours for someone looking to juggle career and other commitments. If you are interested, we'd love to hear from you and why you think you'd make a perfect fit. Please email your cover letter and CV, to:

Nick Slape
