DIGITAL SOLUTIONS SA

Adelaide Business Hub is delivering the Commonwealth funded Digital Solutions Program to small businesses operating in South Australia.

Businesses with an active ABN and employing less than twenty people will be eligible to participate in the program; promoted by our collaborative relationship with the economic development teams from Metro and Regional Councils and Regional Development Australia (RDA) SA.

A fee of \$55 (inc GST) will apply once to each participating business, over the life of the program.

This once-only fee gives full access to all services including:

- Multiple 3-hour workshops
- An additional 1-hour complimentary consulting session following a workshop of your choice.
- Exclusive entry to the Digital Solutions portal to register for webinars and download resource
