Irrigation Project Manager - Sales and Project Delivery

• Barossa Location

At Total Eden we specialise in providing water management solutions to the farming and irrigation sector as well as maintenance plumbing and civil construction. We are well positioned for growth and currently offer a great opportunity for an Irrigation Project Manager to join our team.

About the role:

Responsible for securing and managing the successful delivery of water projects to the highest standards within agreed timeframes and budgets, you will allocate resources and schedule trades, together with ensuring that machinery and equipment is maintained and operated safely. With a commitment to achieving the best outcome for the business and customers you'll manage the projects' operational and financial performance and the achievement of agreed customer service standards, including resolving issues as they arise and that safety is the number one priority.

About You:

To be successful you must have previous project tendering experience and the ability to instil customer confidence to win irrigation projects in a competitive market. Demonstrating strong project management experience within the civil infrastructure, mining and/or water sector, you will be a strong leader capable of directing activities and resources to achieve the best outcomes for all stakeholders. It will be your customer focus, drive and ability to manage all facets of construction projects that will secure you this rewarding role. Strong skills in MS Word and Excel together with a keen eye for detail and commercial acumen are all key criteria for this role.

The Barossa Council is committed to enhancing our premium wine, food and tourism region and its unique lifestyle, heritage and community spirit.

The role of the NRC Co-ordinator is to facilitate the engagement of community members, volunteers and key stakeholders to support sustainability education, nature stewardship and natural resource management in the region, through the provision of information, events, training and a venue for meetings and information dissemination. Working closely with the Bushgardens Committee (and associated sub-committees), Council and the AMLR NRM Board.

To be successful in this role you will require:

- Knowledge of NRM practices relevant to biodiversity and land use;
- Broad knowledge of the role and function of an NRC;
- A tertiary qualification in NRM or Environmental Science desirable;
- Ability to work well with Volunteers;
- Ability to develop and deliver community education programs;
- Ability to assist with strategic planning and manage projects;
- Sound financial management skills;
- Excellent interpersonal, communication and organisational skills; and
- A genuine desire to work with, motivate and inspire diverse members of the community.

This position offers an opportunity to work within a regional native flora centre. Providing the community with an opportunity to learn about the region's local native plants, habitats, natural resource management and ecologically sustainable practices. This position is offered as a part time fixed term contract (4 days per week) until 30 June 2020 at General Officer Level 4 in accordance with The Barossa Council Enterprise Agreement 2019. With a possible 12 month extension (3 days per week), subject to funding.

For further information and a copy of the position description, please refer to www.barossa.sa.gov.au or contact Human Resources on (08) 8563 8444. To apply please forward your application addressing the position requirements to The Barossa Council via hr@barossa.sa.gov.au or via our website.
