**Notification of Proposed nbn™ Radio Network Base Station Facility**

The National Broadband Network (nbn) is a high speed broadband network designed to reach 100 per cent of Australian premises and provide the communications infrastructure to help us stop falling behind in an increasingly online world.

nbn is committed to delivering leading edge broadband services to all Australians by leveraging the three types of technology available - fixed line, fixed wireless and satellite, depending on location.

As part of the fixed radio (wireless) component of the Network, nbn is proposing to expand the existing radio network base station at the following location:

- Willamstown: Lot 1 Fromm Square, Willamstown SA 5351 (RFNSA 5351002)

The works are to provide high quality wireless broadband services to customers in the surrounding locality.

The proposed works on site will involve the upgrade of existing technology upon the facilities including and not limited to the replacement and installation of new antennas, radiocommunication dishes and associated ancillary equipment to enhance transmitting technology. Furthermore the works will involve the replacement and addition of equipment shelters/outdoor units adjacent to the facilities.

nbn regards the proposed installations as Low Impact Facilities under the Telecommunications (Low-Impact Facilities) Determination 2018. In these circumstances, it does not require planning approval from Council. This notification is undertaken in accordance with the requirements of Section 7 of the Mobile Phone Base Station Deployment Code 2018.

Further information on this specific proposal can be obtained by calling Andrew McLane on 07 3211 4208.

Written submissions can be sent to Level 1, 110 Pacific Highway, St Leonards NSW 2065 or via email to [community@axicom.com.au](mailto:community@axicom.com.au)

The closing date for submissions is 5pm Friday 20 March 2020

For general info on the nbn, email [info@nbn.com.au](mailto:info@nbn.com.au), or visit our website at [www.nbnco.com.au](http://www.nbnco.com.au).
