tarac technologies

Tarac is Hiring!

As an integral part of the wine industry supply chain, Tarac Technologies
has been operating from the Barossa for 90 years. We value our role in this
important industry and continue to offer outstanding products, solutions and
services to our industry partners and our customers.

**Technical Sales Specialist - Alcohol and Winery Products - full time
permanent salaried position Ref # 042020**

We are seeking someone who will be a key member of our sensory team,
responsible for the assessment, grading and blending of all spirit products, to
ensure they meet the requirements, expectations, and specifications of our
customers. You will need to have confidence in your palate and be willing
and able to make decisions and/or provide constructive, and potentially
opposing view-points at the tasting table. During production periods this
task is performed daily, or twice daily, including on weekends and this has
been taken into account when setting the salary for this role.

Additionally, you will be responsible for supporting the Sales Manager with
our key domestic customers, providing advice and information on all our
products and services, and fulfilling orders in support of the entire sales
team. The role will have responsibility to develop, implement, and manage
our records related to spirit profiles, including samples of products, customer
information and specifications.

The most important criteria is to have exceptional sensory skills, developed
probably within the wine, distilled spirit, beverages, or food products
industries and refined over time to an excellent level. It is expected that the
regular use of your sensory abilities will form part of your current role. The
successful candidate will have tertiary qualifications in oenology, chemical
engineering, food technology, or a related field and up to 4 years post
graduate work experience is expected.

A position description is available by calling the HR Manager, Lisa Allington
on 08 8568 6533

Vintage Casual Positions Ref # 052020

The bad news is that under current Government plans, Job Keeper and Job
Seeker are being reduced and both will be phased out early next year.

The good news is that in preparation for a busy 2021 vintage Tarac are now
taking applications for vintage casual roles. We are seeking applications
from people who hold at a minimum a High Risk forklift license and a SA
driver's license for all positions but in addition we are looking for:

- 4 qualified and experienced Front End Loader Drivers (HR license would
be a bonus)
- 2 bonds people to work across several aspects of our Samuel Road site
- 3 tartrate operators
- 2 laboratory technicians (do not need a forklift license)
- 2 bonds people to work at our distillery

Any person who holds a high risk work license to operate a boiler would also
be favourably considered as would anyone who has worked with dangerous
goods or hazardous substances.

Tarac's production cycle is one of the longest of any wine industry
employer in the Barossa, commencing at the end of January 2021 with a
comprehensive (paid) induction with some roles often running until June
or even July. Our rates of pay are highly competitive and Tarac staff are
permitted to bank their overtime at time-for-time to a maximum of 30 days,
which can potentially smooth out tax payments over the employment period.
So if you work 12 hours on a Sunday you can bank up to 24 hours instead of
being paid for it. This time off must be taken (obviously) at a time that suits
both you and the business and/or will be paid out at the completion of your
casual employment

To be considered for one of these roles please send your resume (including
your home address) and an application letter to jobs@tarac.com.au noting
the reference number in the subject line.

Tarac's recruitment process includes on-line testing of literacy and numeracy,
a full medical including a urine drug test and assessment for loader and
forklift competence (if applicable). A satisfactory police check that is less
than 12 months old will be required for every position.
