Christian View

By Tony Edwards,
Grace Baptist Church

Who is Jesus?

One day Jesus asked His disciples, "Who do men say that I am?" He received several opinions. No doubt today if we ask the same question, there will be many more answers.

Some think He was a prophet, or a miracle worker or just a great social worker.

Some like to think of Him as a revolutionary.

Some say He was the greatest person who ever lived.

In the final analysis, what people think is irrelevant.

Many people say they do not believe in God or in Jesus, and somehow assume that completely dismisses the issue.

Not so. Jesus said, "If you do not believe that I am He, you will die in your sins."

The Bible says, "It is appointed to man once to die, after this the judgment."

What we believe or what we say will not alter that. We will be judged.

So what is the answer? Who is Jesus?

The Bible answers that question in several places.

In the Old Testament He is prophesied as "Immanuel, meaning God with us."

In Romans 9 verse 5 He is identified as "over all, the eternally blessed God," and in 1 Timothy chapter 3, He is "God manifest in the flesh."

A Christian is one who believes Jesus is truly God and truly man.

He is one Person with two natures.

He is a man, and like us, He is in one place at one time. He has a beginning. He has size. He lives one day at a time.

At the moment, He is a glorified human being and is located in a specific place in the Universe. Today we are waiting for His return.

Jesus is also God and as God He is infinite. He is everywhere at once.

He is eternal. He has no beginning and no end. He is eternally present.

Eternity is to Jesus, as one moment is to us.

The wonder of it all, is that Jesus as a true man died for our sins, and as true God, His death has infinite value to save our souls.

This is what qualifies Him to be the Saviour of the world. This is my Jesus. This is my Saviour and my God. What do you say?
