BUSINESS FOR SALE

Established nine years.
Barossa Central

We are heavily relied on throughout the Barossa and surrounds for everything from a small flashing to a heavy structural beam.

We cover a full range of materials, including steels, stainless steels and aluminium in all forms.

Business is great, we just need to focus on other business interests.

For about the cost of a new ute (plus stock at cost) you can be the owner of your own small business

with options to tailor a future operating model.

I am more than happy to discuss the possible inclusion of fabricating machinery etc.

Expressions of interest close on Friday, March 5th, 2021
