EMPLOYMENT

Casual Cellar Hand

Immediate Start

Kellermeister is owned and operated by the Pearce family. While continuing to do small things well and having fun along the way, Winemaker & Proprietor Mark Pearce has firmly established pedigree, particularly around the winery's Shiraz and Grenache based wines. In addition to numerous recent successes in acclaimed International Wine Shows, the winery is rated in the top 7% of Australian producers by Australia's most authoritative wine critic, James Halliday. We have an exciting opportunity for an enthusiastic, experienced, and energetic Cellar Hand to join our cellar team immediately on a casual basis, working at our picturesque winery in the beautiful Barossa Valley.

We're looking for an experienced Cellar Hand with a current high risk forklift license to start immediately. You'll be competent in assisting with our routine cellar operations under the direction of the winemaking team, energetic with a strong work ethic, and be willing to work flexible hours as required. Must hold current high risk forklift license. Oenology qualification is desirable, but by no means essential.

Applications are to be submitted via email to;
Mark Pearce
Winemaker & Proprietor
mpearce@kellermeister.com.au

YALUMBA
FAMILY WINEMAKERS 1849

Gardener

Established in 1849, Yalumba is Australia's most historic family-owned winery. A fiercely independent fine wine producer, Yalumba is driven by innovation, sustainability, excellence and a pride in its people that result in a genuine opportunity for personal and professional growth.

About the role

Reporting to the Grounds Maintenance Manager, an exciting full-time opportunity exists for a Gardener to join Yalumba's General Services team based at our Angaston Winery, working across our Barossa based worksites.

In this hands on role, we are seeking a motivated and professional multi-skilled individual to join our energetic Gardening team whose purpose is to maintain and nurture our gardens at Yalumba, Oxford Landing Winery & Yalumba Nursery.

Your main duties will include:

- Grounds maintenance including turf maintenance.
- Operating machinery including, chainsaws, mowers, brush cutters and whipper snippers.
- Chemical handling, weeding and weed spraying
- Mulching
- Watering
- General cleaning
- A range of other relevant horticultural works as required.

Your attributes and requirements

- You will enjoy working outdoor in all types of weather
- Experience in the Horticulture industry/or experience in commercial garden maintenance preferred
- Physically fit and able to perform frequent and repetitive manual work including lifting, bending, kneeling, twisting.
- Current and valid manual drivers licence with own transport
- Reliable, punctual and hard working
- Well presented with good communication skills and a passion for providing high level customer service

What is in it for you?

- Competitive wage
- Full on boarding and training provided
- Wine allowance

Prior to commencement, satisfactory completion of pre-employment assessments will be required.

How to apply

Please forward your cover letter and resume to Stuart Hearn, Recruitment Advisor at shearn@yalumba.com

Applications close Friday 5th November 2021.

OVER 150 YEARS OF FAMILY WINEMAKING

The Henschke family has been making wine in the Barossa's Eden Valley wine region since 1868. Today, fifth-generation winemaker Stephen Henschke and viticulturist Prue Henschke are recognised around the world for their exceptional quality wines, innovation, and sustainability in the vineyard.

This is an exciting opportunity to immerse yourself in our iconic Henschke brand!

VINEYARD HAND - FULL TIME

We are looking for a motivated and experienced Vineyard Hand to join our team based at Keyneton. This role is responsible for the effective and timely implementation of seasonal tasks within our vineyards, under the direction of the Vineyard Manager. Tasks include (but are not limited to):

- Net application
- Pruning, vine training and canopy management
- Operate and maintain vineyard machinery
- Weed control and slashing
- Irrigation & trellis maintenance and repairs
- Grape Picking
- Other vineyard operations as required

To be successful in this role you will have proven experience in a similar role and have basic viticulture or horticulture knowledge. Candidates will have; the ability to follow instructions, exceptional communication skills, work well within a team, be physically fit with an ongoing commitment to uphold quality and safety standards in the vineyard. You will have a fantastic work ethic - punctual, dedicated, self-motivated with a positive attitude.

Applicants must hold a current driver's license. A current ChemCert and/or High-Risk Work license would be advantageous, as would formal qualifications in Viticulture or Horticulture.

Excellent employment conditions are on offer including attractive remuneration, commensurate with skills and experience. Work with our exceptional brand and team!

HOW TO APPLY:

We look forward to hearing more about you - to apply please email a cover letter and resume to recruitment@henschke.com.au. Please include Vineyard Hand in the subject line of your email. Applications will be treated confidentially.

164752

Vineyard Operators

Barossa

We are seeking a Vineyard Hand to join our team. The successful candidate will need to demonstrate a can-do attitude, with strong attention to detail and be prepared to work out of normal hours when seasonal demand requires.

Duties will consist of:

- Carrying out vineyard operations efficiently and effectively at the required level, as directed by the Vineyard Supervisor.
- Carrying out herbicide, fungicide & insecticide programs, including pest and disease; and weed control.
- Conduct Irrigation activities as per the irrigation schedule; including fertigation, maintenance of the irrigation systems, drip conversions & applying information from the soil moisture measuring devices.
- Maintain and operate all plant and machinery in accordance with safe operating procedures and policies.
- Complete soil works, fertilisation, propagation, trellising, planting and vine development activities as requested.
- Complete re-planting or re-trellising activities as required.
- Conduct vine pruning activities both manual and machine.
- Carry out both machine and hand harvesting activities.
