

GOVERNMENT FUNDING

Leadership in the Wine Industry Program

Diploma of Leadership and Management BSB50420

Certificate IV in Leadership and Management BSB40520

DID YOU KNOW?

Significant Government funding is available **right now** to enable employers to support their employees in undertaking approved training.

This funding includes:

Accredited Training

Payments to training providers for individuals undertaking accredited courses approved by the SA Government.

Skilling South Australia project

Payments for industry-based projects under the SA Government's Skilling SA project funding arrangements.

THE OPPORTUNITY

Aleda (third party provider) together with our Registered Training Organisation partner, **Team Solutions Training**, have developed a **Wine Industry Leaders Program** for employees – Managers, Team Leaders and aspiring leaders – in your sector.

Team Solutions Training along with the state government have accessed funding for 60 positions in this course, however places are strictly limited.

PROJECT GOALS

- Facilitate regional development in the areas of leadership and management for the wine industry
- Support a strategic sector (Wine) to improve skills and increase productivity
- Provide an innovative approach to delivery that is appropriate to the industry and engages participants fully
- Deliver a high-end leadership program designed to make an impact on the sector

OVERVIEW

- Diploma of Leadership and Management
- Certificate IV of Leadership and Management
- 10 month course
- 10 days off site (Barossa, McLaren Vale and Adelaide Hills ... site TBA)
