

An Australian Government Initiative

## BAROSSA GAWLER LIGHT ADELAIDE PLAINS

## B2B PROVIDER DIRECTORY

Find a regional business service provider who aligns with your needs from across the Barossa, Gawler, Light and Adelaide Plains region.

### About the B2B Program

The B2B Support Program connects businesses in the Barossa, Gawler, Light and Adelaide Plains region with local business advisers who provide tailored, practical support to help you start, grow, innovate and thrive.

Supported by our local government partners, the program is designed to strengthen regional business and contribute to a resilient, prosperous economy.

- Get local access and build strong business relationships within your community.
- Connect with skilled, local business services professionals for actionable mentoring and advice.
- Be supported by peers with free business networking events.

### Connect and get assistance

Whether you're launching a new business, navigating challenges or planning your next stage of growth, we'll connect you with the right expertise to help you identify opportunities, overcome barriers and make informed decisions.

Based on your business needs and goals, we'll match you with a trusted local business advisor or specialist who can provide practical, tailored advice.

A subsidised 2-3 hour engagement is available for a co-contribution of \$66.
